

## Booking Conditions and Policies

Prior to heli-skiing all participants will be required to sign a ["Release of Liability, Waiver of Claims, Assumption of Risks and Indemnity Agreement"](#).

### Payment Policy

Quotes are valid for one week from the date of issue. All deposits are due at the time of booking to confirm the reservation and are entirely NON-REFUNDABLE:

**Signature Packages** - Tyax Lodge & Heliskiing (TLH) requires a \$1500CDN deposit per person.

**Private Group & Platinum Packages**- TLH requires a 20% deposit of the total package price.

The full balance of all our packages is due 90 days prior to arrival; reservations booked within the 90-day period will be due in full at the time of booking. All final payments are NON-REFUNDABLE. Reservations that have not been paid in full by the due date may be cancelled without notice to the guest, and the deposit will be retained by TLH.

Rates are subject to a 5% Goods and Services Tax (GST), and in some instances a 7-8% Provincial Sales Tax (PST), as currently set by the Federal Government of Canada and the Provincial Government of British Columbia.

All payments must be made in Canadian Dollars (CAD). When paying with currencies other than Canadian funds, the exchange rate on the day of deposit will be used, and is dependent on the issuing bank of the client. Reservation payments can be made by Bank Wire, Visa, MasterCard, or American Express. Payments over \$15,000 made by credit card are subject to a 2% commission fee.

### Cancellation Policy

1. If it becomes necessary to cancel a reservation, written notification of the cancellation is required. Cancellation must be confirmed, also in writing, by TLH.
2. The guest is held responsible for the full payment of the reservation should there be no written confirmation of cancellation.
3. **TLH reserves the right to cancel any package at any time; full refunds will be given if this is the case.**
4. Cancellations made with more than 90 days remaining prior to the package commencement date will be refunded less their initial deposit.
5. Cancellations made less than 90 days prior to the package commencement date will receive NO REFUND. If the cancelled reservation can be re-sold to another guest that assumes the same contractual obligations, and only if the cancelled space is still available, a change of reservation fee of \$250 will apply.
6. The cancellation of pre and post accommodation is non-refundable within 35 days
7. The cancellation of additional Helicopter time & Private Transfers is non-refundable within 30 days

## Refund Policy

No refund is given for any unused portion of your package due to injury, illness, poor physical fitness or skiing ability. There is no refund if you choose not to participate in an activity or return to the lodge early. Refunds given due to inclement weather or mechanical breakdown will be according to the vertical guarantee of the package. TLH reserves the right to cancel any package at any time; full refunds will be given if this is the case.

## Transfer Policy

Five and seven-day packages include a combination of land and air transfers for inbound and outbound travel; three-day packages include a combination of land and air transfers on inbound travel only; four-day packages include a combination of air and land transfers on outbound travel only. Platinum packages include air transfers for inbound and outbound travel. Packages which do not fall into the above categories are subject to transfer conditions agreed upon during the booking procedure.

Transfers by helicopter are not confirmed until the day of the transfer. TLH reserves the right to cancel air transfers due to weather conditions, lack of demand or capacity issues. TLH reserves the right to schedule vehicle transfers instead of air transfer as needed.

Upgraded helicopter transfers, paid for in addition to a regular package price, will be refunded if the service cannot be provided. Air transfers included in packages will receive NO REFUND if the flight must be cancelled. Each guest must ensure that TLH is told of the location of their Vancouver/Whistler hotels at least 60 days prior to arrival, so that transfers can be arranged for their closest pick-up and drop-off locations. It is the guests' responsibility to get to the designated pick-up location 15 minutes before the scheduled departure time. If the guest misses the transfer then it is their responsibility to pay for any alternative arrangements made.

Transfers and travel times are contingent upon TLH being able to deliver these services without interference beyond the control of management, such as accidents, acts of God, road closures, government requisitions, and other causes whether enumerated herein or not. Therefore, TLH strongly discourages scheduling domestic and international flights on the day of inbound and outbound travel to and from the resort. TLH cannot be held responsible for any cost incurred due to missed flights and/or delayed luggage.
